

Dear colleagues,

Trade Council in Ukraine is ready to help you to find the right business partners for you to make profitable business in Ukraine. Every year new companies appear on the market, launch new products, develop exclusive services and of course compete with other companies. Those companies, which are in a never-ending search of sophisticated and fresh solutions, become leaders and “skim the cream”. We wish you success and winnings, on the routes to which we will help you.

Trade Council in Ukraine is informed about the main events on production, technology, agriculture, food and retail markets. We could easily arrange meeting with the potential business partners and combine it with some trade events. Also, we will provide you with the market research to make your visit efficient and well prepared.

To make the further step on the way to our cooperation, you are welcome to have a look on the **Ukrainian trade events schedule for 2013**. Trade Council has all the necessary knowledge, experience and contacts to help you to reach success in Ukraine.
