

INNOVATION PACKAGE

INNOVATION PACKAGE

Through our Innovation Package SMEs with international potential can get a subsidy to counseling in one or more of our locations: Munich, New Delhi, São Paulo, Seoul, Shanghai and Silicon Valley.

**Innovation Centre
Denmark**

**We build bridges
between research and
business - globally**

What do you get?

The Innovation Package will be tailored for you but can consist of:

- Meetings, networking and seminars with key players
- Access to international knowledge and research
- Assessment of your business model or technology

How much does it cost?

The Innovation Package includes 35-100 hours of counseling. An SME can buy one package per location and a maximum of three packages. The Trade Council subsidizes the total price with 35% on the charge of 935 DKK per hour. Extra hours can be bought for the ordinary charge.

Who can participate?

An Innovation Package is for technology intensive SMEs and entrepreneurs with no more than 100 employees and DKK 150 million in annual turnover.
